Teaching					
Research					
Service					
School					
University					
Professional*					
* Because Community Service is mentioned in the eFAR, but is not part of this Evaluation Form, it will be considered as part of the Professional Service section for the time being.					

PART IV.

Summary by Program Director or Chair

A general review of the past year's performance and recommendations relation to the goals of the respective Department/Program and School.

PART V.

Tenured Faculty and Librarian Review:

In accord with the campus policy on Faculty and Librarian Review and Enhancement, the department chair, dean, or designee should note whether the overall annual performance has been satisfactory with regard to both quality and productivity.

- A. Satisfactory or better, no review anticipated:
- B. Unsatisfactory; review needed unless significant improvement occurs:
Discuss with faculty member:

Two or more consecutive reports, which are unsatisfactory, will result in an involuntary review in accord with campus policy.
